design is the reflection of our soul
mixed with a seductive and addictive thing called context.
a good designer is the one that is able to bring out the first one onto the second

Emilio Lonardo is a designer and writer

Born in 1988, he gradueted in Politecnico di Milano in Interior Design. He was a consultant in some important studios like Attilio Stocchi, Daniele Lo Scalzo Moscheri, Benaglia+Orefice, Silvia Girardi.
In 2016 started is own firm working on different fields like interior design, furniture design and brand identity.
He works with some important italian companies like MGS and Tideo.
From 2013 he works with Politecnico di Milano and Poli.Design as tutor in practical courses and as teacher and tutor in the Master of Urban Interior Design [MUID]. He has several national and international publications about design but also poetry.

the studio

Emilio Lonardo is characterized for a multi-disciplinary work, as a freelance designer and researcher but also for some of Italian companies.
He worked on some projects for Giorgetti, Varaschin and recently he organized the exhibition 'Tatooing Spaces' for Tideo.
Emilio Lonardo's works has been published in some of important italian magazines like 'domusweb' and 'La Stampa'; his desk 'Slave' was exposed in the art gallery 'Gli Eroici Furori' [Milano - 2016] and his centrepiece 'Imbarca' was exposed at 'Riflessioni' exhibition during the Milan Design Week 2016
